

# YOUR RIGHT TO KNOW...

## A Constitutional Guarantee

THE WONDER that is America with all of its personal freedoms and its envied creativeness, has been built on the principle that to know the truth liberates mankind, enabling it to achieve greater objectives.

Fulfillment of this principle, guaranteed by our constitution, as the mission of the Free Press of America, as represented by your Torrance Herald. Edited by your neighbors, printed by your neighbors, delivered by your neighbors, it seeks out what you must know about what is going on in the world, the nation and your community.

It presents the facts without fear or favor so that you may have the truths on the basis of which you can make your weight felt as a citizen and a better life for your family.

Your Right to Know, a Constitutional Guarantee, is Solidly Based on a Militantly Free Press

Newspaper Advertising also plays its important role in this broad picture, bringing your offerings in an open competitive market so that you may choose freely what you will buy and from whom.
